Meeting was called to order at 7:05 pm by John Breen.

Treasurers Report:

Peggy read the treasury report, and the balance as of 9/12/2017 was \$5265.07.

Review of Minutes:

John reviewed the minutes from the meeting in June.

Old Business:

The posting of the new sign for the beach property was discussed. Bonnie was waiting for the company to finish the sign. We have volunteers that will install it after it is finished.

New Business:

Joyce Goetz handed out gifts to everyone at the meeting. Thank you Joyce.

The topic of the disturbances at the beach was brought up again and it was suggested that we hire a guard to make sure that people using the beach are paying members. It was stated that we had done this at one time and it was an expensive endeavor. This was also deemed as overkill for the amount of problems that we are having at the beach.

This led to a discussion the sale of the community property at the corner of Choptank and Paradise Beach Road. This would raise some capital to help with upkeep of the beach property to make it more secure. It was decided that we would vote on the sale of the property at the next meeting. A committee would be formed to investigate the sale of the property and to use the proceeds to help with the cost of upkeep for the Beach property.

Another topic was brought up and this was in regard to children riding motorcycles, scooters, ATVs, and golf carts through the neighborhood on streets with a high traffic volume. It was noted that the behavior exhibited by some of these children was not the most friendly and courteous. Vince stated that he would draft a statement about this for the next newsletter.

Meeting was adjourned at 7:35 pm.

NEXT MEETING: Tuesday November 14th at 7:00pm

Location: Kurtz's Beach!!
